

Food for Thought

Hello Church Family,

We are excited to announce this year's 1 week SALT evangelism training program in partnership with It Is Written. Held on the campus of Southern Adventist University, May 12-18, this one-week program is perfect for individuals, families, and churches. Summer SALT pulls crucial excerpts from our full semester program to cover the basics of personal and public evangelism, the evangelism cycle, and tools for outreach in your local church and community.

A Summer SALT flyer with all the necessary details are on the foyer table. Please join us in encouraging Seventh-day Adventists across America to know and share their faith with the world.

God bless,
